

"A List" Course Offerings

By "A List" we mean that the course can, **(a)** compare with any similar course taught at the undergraduate level at any other Christian college, **(b)** the course material is unique to only ACC, yet proven in practical success in local ministry, clinically, or on the mission field, **(c)** the only course of its kind at the undergraduate level, **(d)** guaranteed tuition refund if, after fulfilling the course requirements and follow up, it does not achieve stated results for the student.

Courses in **bold print** are based upon the professor having published work, international or nationwide experience, and/or recognition for this material.

MASTERY OF THE BIBLE, (Biblical Interpretation), (a, b, d):

Professor Eric Villanueva

Teach and preach at the level of a Seminary Bible College graduate after this course-
using only the Bible!
